

Handling and Maintenance instruction

Pleated Panels

THIS INSTRUCTION IS VALID FOR THE FOLLOWING PRODUCTS :

- AeroPleat
- M-Pleat
- EcoPleat
- CityPleat

Handling instruction:

- Handle with care
- While unpacking, lift the filter by the frame and avoid contact with filter pack
- Don't hold in stock without packing (max storage time = 2 years)
- CityPleat: store the filter in plastic bag to avoid contamination.

Mounting instruction:

- Install the filter according to the arrow for airflow indication
- Install the filter with pleats vertical
- Use gasket to avoid leakage

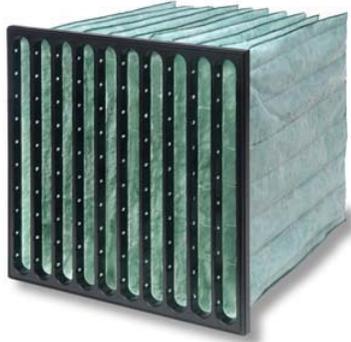

Maintenance:

- Don't wash filters (water or air pressurized air)!
They will not be efficient and will have high pressure drop!
- For normal ventilation, filters are standard disposable goods
